

Prayer to Blessed Carlo

Dear Jesus,

thank you for giving me Carlo
as a model for my life.

His deep love for the Eucharist
inspired him to live and love each day
in joyful service of others and of You.

Carlo believed that going to Mass
and receiving you often in Holy Communion
was his 'highway to heaven'.

He believed that,
as well as being your mother,
Mary was his beloved mother too.

He believed that
saying the Rosary drew him closer to her
and brought her tender, gentle, help closer to him.

Let me also know that tender, gentle help.

I ask now that Carlo would pray for me
and for the places of my life that I find difficult -
especially (where do you need help from Jesus ?)

Dear Jesus, listen to the prayer that Carlo makes on my
behalf.

And please raise this young man up to be a saint with you in
Heaven, so that his smile could shine on young people across
the world and so give glory to your name

Amen
